

WELCOME TO AMELIA'S

Clean-Crafted Cocktails

Our cocktails put a modern spin on the classics, infused with the flavors of Arizona. Each one is thoughtfully balanced, built on house-made syrups and fresh-squeezed juices.

Our Wine List

We've curated our wine list around wineries we believe in — biodynamic, organic, sustainable, and small family owned. Every bottle is chosen with care, for the curious newcomer and the seasoned enthusiast alike. Explore, discover, and find your new favorite, by the glass or by the bottle.
